

25 May 1967

NOTE FOR: Carl

Items you may wish to mention at Staff Meeting:

a) Current meetings with [] et al 25X1A

25X1A b) Intent to put planning and actual expenditures and accomplishment into data base with 30 day reporting (You mentioned this at the last staff meeting in April - or the first one in May) [] and RCS reassured by [] of PD/OL 25X1A cooperation yesterday.

c) Response of offices to proposed use of DoD R&D Category definitions and improved Technical Field list requested by 2 June - ORD and OEL already in with positive response - appreciated.

d) Briggs' programmers, [] and I will 25X1A meet tomorrow to solidly tie down the data massaging needs - and see if outside help is needed.
